July 13/17

My Dear Sir Robert.

I wonder if you wd be kind enough to comply with Amoss's request. He recently completed his D. Paed. with us. Before enlisting as a private he was head of the Grimsby High School.

Summer School in New York is very interesting. I have, however, more than my fair share of the 5,500 students in my classes

sincerely yours
Peter Sandiford

Professor P. Sandiford,

Teachers College,

Columbia University,

New York.

Dear Professor Sandiford:

I am sending to you the certificate for Mr. Amoss, and am also returning his letter.

Yours very truly,

President's Secretary.
